

Bluegrass Rain Garden Alliance
Commercial / Professional Team

Southland Drive Rain Garden Installation Demonstrations

Wednesday, October 15 and Friday, October 17

11:00 AM - 2:00 PM

Good Foods Coop, 455 Southland Drive, Lexington, KY 40503

Oleika Shriner's Temple, 326 Southland Drive, Lexington, KY 40503

- **Observe commercial rain garden installation** at Good Foods Coop, and Oleika Temple parking lots, Southland Drive.
- **Receive technical information** related to designs, materials, installation procedures and maintenance of rain gardens for commercial properties.
- **Discuss market potential** for these new stormwater management practices and upcoming regulatory incentives that will make these installations desirable to existing clients and potential customers.

The Bluegrass Rain Garden Alliance is an initiative towards building a “Greener” Bluegrass by supporting the need for rain gardens as stormwater management tools through workshops, education, and outreach. Our Goal: 2,010 rain gardens in Central Kentucky by 2010.

Pre Registration Required: www.BluegrassRainGardenAlliance.org

Registration is FREE, but limited to the first 50 that sign up for each day. A light lunch is included.
